ARE YOU IN AGONY? A WELL-SPRING OF HOPE

CAN BE FOUND IN

Holloway's Pills.

Cheer! The Sinking may

BY THE USE OF Holloway's Ointment.

The history of these great Remedies is the nost wonderful medical revelation that the world has ever known. It establishes the allmportant fact that WHEREVER, and in WHAT-EVER SHAPE internal disease exists, the disinecting, searching and healing properties of the Pills are fully equal to its subjection and cure, and that, with the Ointment, they are

The Great Ambassadors of Health to al Mankind.

This is not a history written by one man, or ven derived from the experiences of one na ion. It consists of a compilation of testime-LEMON, HOSEA & CO., lidon. It consists of a compilation of testime eachable record, the like of which has never een adduced in favor of any discovery or invention since time began.

These Mighty Healers, World Known and World Tried, are a Boon to the Sick. The want of a sterling medicinal to meet the

lls and necessities of the suffering portion of aumanity, and one entirely free from mineral and other deleterious particles, was severely felt till this all powerful medicine was ushered into the world; HOLLOWAY'S INVALUABLE PILLS have become the nossemoup nement of all nations. Their attribute is to PARVENT as well as to suns; they attack the RADIX OR ROOT of the omplaint, and thus, by removing the hidden ause of disease, re-invigorate and restore the dreoping energies of the system, assisting nature in her task of VITAL and PUNCTIONARY AB-FORMATION.

Disorders of the Stomach

Are the sources of the deadliest maladies. Their effect is to vitiate all the fluids of the ody, and to send a poisoned stream through all the channels of circulation. Now, what is the operation of the Pills? They sleanse the weave-three times as fast as the common Loom, bowels, regulate the liver, bring the relaxed or they exactly fill a large and increasing demand among farmers, for some easy, healthy, and acting through the secretive organs upon the the operation of the Pills? They eleanse the acting through the secretive organs tron THE BLOOD ITSELF, change the state of the system from sickness to health, by exercising a simultaneous and wholesome effect upon all its parte and functions.

Woman, in all her Difficulties.

Is invited to test the regulating and restorative powers of this harmless but effective preparation. At the two epochs of life in which the female system undergoes the most important and critical changes, the Pills will prove a I T is used by first class families everywhere, and highly recommended for nervous and dyspeptic persons, being very nutrious and free They are also confidently recommended as a exclusively subject.

Be it Understood.

That the above statements can at all times be verified by the written testimony (extending through a quarter of a century) of tens of thousands of unimpeachable witnesses.

Billious Maladies, &c., &c.

In whatever form disease attacks the liver. it is repelled and exterminated by this searching, painless, and irresistible curative. Bilious remittents, bilious purging, and all the ordinary disorders of the organ, indicated by pain in the right side and between the shoulders, yellowness of the whites of the eyes, weakness and debility, &c., are relieved and removed by the remedy, with a celerity which astonishes the sufferers and their friends. Let the sick, whom the faculty have abandoned, resort with confidence to this powerful anti-bilious agent, and a restoration to health and activity will be the invarying result.

Dyspepsia, Diarrhea, Weakness, &c.

The terrible bodily and mental pangs which characterize Dyspepsia, are at once mitigated by the Pills. Diarrhosa, constipation, headache, physical prostration, nervous tremors, hot flushes, spasms, affections of the kidneys, hemorrhoids or piles, and, in fact, all internal omplaints, from whatever cause arising, give way before the salutary influence of this extrardinary remedy. As a specific for dyspepsia. and the disorders connected with it, or growing out of it, the Pills are always to be relied on, when every other medicine and mode of

Holloway's Pills are the best Remedy known in the World for the following Diseases:

Asthma. Headaches, Indigestion, Coughe, Influenza, Inflammation, Inward Weakness, Chest Diseases, Costiveness. Liver Complaints, Dyspepsia, Lowness of Spirits, Piles, Dropay, Stone and Gravel. Secondary Symptoms Debility.

Female Complaints, Worms of all kinds.

Venereal Affections

If the reader of this "notice" eannot get box of Pills or Ointment from the drug store in his place, let him write to me, enclosing the mount, and I will mail a box free of expense. Many dealers will not keep my medicines on hand, because they cannot make as much profit as on other persons' make.

None are genuine unless the words " Helleway, New York and London," are discripible as a Water-mark in every leaf of the book of directions around each box; the same may be plainly seen by holding the leaf to the light. A andsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing

ANTI-PREZING DOUBLE ACTING,

THESE pumps have new been in general use a number of years, and give better satisfaction than any other, and are recom-THE BRAT! by Capt. Errices, and other eminent Engineers. We can refer to thousands using them, and guarantee that all will recommend them.— They are more simple in construction, and work easier, and cost less than all others.

"Our readers will find the double-acting im proved Pump of J. D. West & Co., one of the best in the market. It is very simple, works to a charm, so that any child may use it; throws a steady, continuous stream, and does not freeze in the coldest exposures, and is anusually cheap. We say this knowingly, and give the testimony of our own second, without the knowledge or request of the proprietors."—

N. Y. Euc. Past, July let, 1863.

Hats and Caps, Boots and Shoes,

This may certify that I have been using, at my manufactory, for the last four years. "West's Improved Pumpa." I now have in use three of said pumpa, one of which is kept constantly at work, 24 hours each day, (save 8 undays) and has been cunning for the past two years. I pronounce them, unhesitate to my two years. I pronounce them, unhesitatingly, the best pumps that have been brought to my notice, having used many others previously. They are simple in their construction, and not easily disarranged. N. Y., Oct. 10, 1859. JAMES A. WESS.

D. WEST & Co.: We are pleased to state that the Pumps we had of you, about a year ago, have been in constant use, 12 hours each day, and raise for the use of our Worken Factory, about 130 gallone per minute. They work with but little power, compared with pumps we have used before, and do not get out of repair, and are satisfactory in dit respects. Yours, &c., Dungar Manusacrumne Company.

Solon Robinson to the Farmer's Club, Jan. 23: "No farmer who owns a well or cistern can cossibly afford to be without an iron pump. It perfect little fire engine—such a one known as west's Improved Pump. I speak of this pump because I happen to know it . . . to be very simple, durable, powerful and cheap, and T was pronounced superior to all others at the World's Fair, in London, 1862. It took it don's freeze up, nor get out of order once a year. . I know this, and think I may be doing the farmers good by speaking of it. . . A boy 10 years old can work it, and throw a continuthe First Premium at the great Fair of the AMERICAN INSTITUTE, in New York City, 1863. - here the judges were practical mechanics and appreciated COG-WHEELS. ous inch-and-a-quarter stream....It can be made to work in deep wells as well as in shal-

[From the New York Observer.] We have had in use for months past one of West's Pumps, which has given us more ant-isfaction as a force and lifting pump than any we have ever seed. It is one of great power, and well adapted for ship's decks, mines, fac-tories, green houses, graperies, &c., &c. The Mining Chronicle and Railway Journal says: SELF-ADJUSTING AND ADJUSTABLE! It Saves Time, Labor, Clothes, and Money. It is easily and firmly secured to the tub or It is recommended for its extreme simplicity Washing machine, and will fit tubs of any size or shape. It is simple in its construction, and of sonstruction, great strength, and consequent durability and cheapness of repair.—
There is no stuffing box—the pressure being

oes not easily get out of repair.
It is not only a PERFECT WRINGER, but held by a cup packing, like that upon the working piston, working in a cylinder, fitted for the purpose within the upper air chamber—which we think a great improvement, as stuffing the Cog-wheels give it a POWER which renders it a most EXCELLENT WASHER, pressing and separating, as it does, the DIRT with the WATER, is so liable to be deranged, and leak under strong pressure, to say nothing of the loss by Any Washerwoman can use it-a Child ten friction incident thereto. It has also two air-chambers: thus the action of the valve is It will save its cost every 6 months, in the cushioned upon both sides by air-preventing water-hammer and vacum thump. The valves are very accessible, and simply and cheaply repaired. They work much easier than any pump we have ever seen; the 4 inch cylinder Length Diameter. being worked by children in wells 100 feet deep, and as they are extremely cheap as well as simple and strong, we freely recommend

Serofula, or King's Evil

a constitutional disease, a consed, by which this fluid be bloed, by which this fluid becomes that weak, and poor. Being in the circular pervades the whole body, and may been in disease on any part of it. No orps is from its attacks, nor is there one which it me not destroy. The scrofulous taint is virginal to the second of t

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which a the lungs, liver, and internal organs, is arms tubercies; in the glands, swellings; and as the surface, cruptions or sores. This fool we-ruption, which genders in the blood, depress the energies of life, so that scrofulors tions not only suffer from scrofulous en-plaints, but they have far less power to sat-stand the attacks of other diseases: quently vast numbers periah by disease quently wast numbers periah by disorder which, although not scrofuleus in their name, are still rendered fatal by this faint in the are still rendered total by this taint in the system. Most of the consumption which decimates the human family has its origin direly in this scrofulous contamination; and any destructive diseases of the liver, tidney has indeed of all the organs arise form destructive diseases of the liver, but and, and, indeed, of all the organs, arise from a reaggravated by the same cause.

One quarter of all our people are semblous: their persons are invaded by this lurking a fection, and their health is undermined by it.

To cleanse it from the system we must recover.

To cleanse it from the system we must remove the blood by an alterative medicine, and in-vigorate it by healthy food and sarries. Such a medicine we supply in

AYER'S Compound Extract of Sarsaprille.

the most effectual remedy which the maintain skill of our times can devise for this sympwhere prevailing and fatal malady. It is to bined from the most active remedials that he been discovered for the expurgation of this is disorder from the blood, and the rescue of is system from its destructive consequence. Hence it should be employed for the cur of not only Scrofula, but also those other also. tions which arise from it, such as Entran and SKIN DISEASES, ST. ANTHONY En. Rose, or Envirence, Piners, Piners Broteines, Brains and Boils, Tenous, Term and SALT RUSCY, SCALD HEAD, RISCHER, RHEUNATISM, STPHILITIC and MEMERIAL DIS-MASES, DROPSY, DYSPEPSIA, DEBILIT, 104 indeed, ALL COMPLAINTS ARISING FROM VILLA TED OR INPURE BLOOD. The popular held in "impurity of the blood" is founded in true, for scrofula is a degeneration of the blood: The particular purpose and virtue of this Sames-rilla is to purify and regenerate this vital find without which sound health is impossible in contaminated constitutions.

AYER'S Ague Cure

FOR THE SPEEDY CURE OF Intermittent Fever, or Fever and Agus, Remittent Fever, Chill Fever, Dank Ague, Periodical Headache, or Billons Headache, and Billons Fevers, indeed for the whole class of diseases origina-ing in billary derangement, caused by the Malaria of Minsmatic Countries.

We are enabled here to offer the community We are enabled here to offer the community remedy which, while it curses the above commun with certainty, is still perfectly harmless a sy quantity. Such a remedy is invaluable a form where these afflicting disorders pread the "Curke" expels the miasmatic poson of Fun AND AGUE from the system, and prevents his releasement of the disease, if taken on the finan-AND AGUE from the system, and prevents the velopment of the disease, if taken on the finate-proach of its premonitory symptoms. It is not supposed to the best remedy ever yet discovered for this daw of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where FEVER AND AGUE prevails, every body should have it and use it freely both for cure and potection. A great superiority of this remedy over my have it and use it freely both for cure and protec-tion. A great superiority of this remedy over up other ever discovered for the speedy and centan cure of Intermittents is that it contains no Quinne or mineral, consequently it produces no quinin or other injurious effects whatever upon the constitu-tion. Those cured by it are left as healthy in if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic neisson. A great variety of line

Pever and Ague is not alone are consequently of date the missmatic poison. A great variety of date ders arise from its irritation, smong which at Neurulgia, Rheumathism, Good, Hendache, Block ness, Toolbache, Earnache, Cahurth, Asthma, Pa-pitation, Painful Affection of the Spiten, Hyste-ca, Pain in the Boreels, Cohe, Paralysis and Irrangement of the Bonecis, Cohe, Paralysis and Perangement of the Stomach, all of which, when originating in this cause, put on the intermined type, or become periodical. This "Cuna" sapes the poison from the blood, and consequently are them all alike. It is an invaluable protection is immigrants and persons travelling or temperal. them all alike. It is an invaluable protestan is immigranta and persons travelling or temperally residing in the malarious districts. If taken con-simally or daily while exposed to the infector, that will be exercted from the system, and rand accumulate in sufficient quantity to spen inte Henev it is even more valuable for profes mittents if they avail themselves of the presented
